

The 23rd Psalm with Bob Burke's Comments

1. "The Lord is my shepherd; I shall not want." A shepherd relationship with his flock is one of a guide and leader. I imagined Jesus going before me to prepare my way as I ventured forth. My supply was assured and in God's hands.
2. "He maketh me to lie down in green pastures: he leadeth me beside the still waters." I am comforted by His presence with me and therefore I can be calm, refreshed and positive of the outcome in my efforts to help others.
3. "He restoreth my soul: He leadeth me in the paths of righteousness for His name's sake." His presence with me heals my soul; and He guides me to be aligned with God's purpose for me.
4. "Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me." My discipline is being tested in my continuous effort to eliminate fear and doubt and since Jesus is with me I am protected, strong and faithful to God.
5. "Thou prepareth a table before me in the presence of mine enemies: thou annointest my head with oil; my cup runneth over." Negative thoughts are eliminated since I am one with the mind of Jesus. Fear and doubt disappear and only hope and faith remain. I am consecrated and abundance is mine.
6. "Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever." I am blessed and I can be secure in the presence of God with me for all eternity.

'The Call' for Abundance

"The Call" Bob woke up with. His vision is that this call could occur during every decree session, MMA Healing group meeting and during personal calls for the soul and personal abundance of each person, and the funding for the awareness of the Ascended Masters Teachings:

"In the name of my Mighty I AM Presence and Holy Christ Self, I call for the lightbearers and all people who believe in the teachings of the ascended masters to be cut free from fear and doubt and all that would stand in the way of their own alchemy of abundance through inner understanding of tithing their time, talent and treasure and diligent practice of the spiritual laws of supply. We call forth overflowing abundance for The Summit Lighthouse to fulfill every aspect of its mission, including expansion of the publishing and distribution of ascended master teachings for the raising of all mankind to the consciousness of the coming golden age—out-picturing now in the being and aura of all people. We ask this according to the will of God, Amen."
