

Creating a Successful Master Mind Alliance Group

The "Master Mind" may be defined as: *"Coordination of knowledge and effort, in a spirit of harmony, between two or more people, for the attainment of a definite purpose."* Napoleon Hill, author of Think & Grow Rich

Some of the following information has been extracted in whole or in part from his book as a guide for the creation of a long-lasting successful Master Mind Alliance (MMA) group. This information will assist you in creating a group that embodies the qualities needed to increase your likelihood of a successful experience.

1. A Collective Purpose

This guide has been designed specifically for the creation and guidance of MMA groups whose Collective Purpose of the members, as co-creators with God, is to Call and Pray to God for assistance with the healing of the body, mind and spirit of individuals, projects, groups, society, nations, governments, environment and anything out-of-alignment with the Divine Plan and the Will of God.

The spiritual focus of each member of this MMA group Healing Ministry is to love God and love one another unconditionally; and all behavior should reflect that purpose as kindness and harmony prevails.

2. Leadership

The MMA group initially has a person who takes on a leadership role for the group. The leader assumes the role of ensuring the group is meeting as per the agreed-upon agenda and schedule and facilitates the meeting. The group can agree to share this role with all members, rotating the responsibility for every meeting with a different Moderator.

How this leadership role is handled should be decided when the group is initially created. Everyone has been given special gifts, qualities and experiences, and the goal is for all members to be comfortable sharing ideas as equals.

3. Rules of Engagement

- The MMA group should be built as a team with the input of every member considered. Confidentiality is of paramount importance. So, every person needs to determine if they can control any confidentiality problem they have and make changes in their behavior as needed.

- All members of the group must be in-agreement in considering a new member before that person is invited.
- Typically, one hour is the usual time for the MMA group meeting. Therefore, the maximum number of members is normally limited to 6 or 7.
- The meeting time should be selected to accommodate the schedules of all of the members. The frequency of meetings is normally weekly on the same day and time.
- An effective meeting method is to use the "One Number" Call Service for members to call in from any quiet location where they may be at the time.

4. Forming a MMA Group

Criteria for accepting a new member into an MMA group with an Ascended Master Teaching's collective purpose:

- a. Keeper of the Flame
- b. Decrees daily
- c. A desire to participate in a group of like-minded people to call for God to heal out-of-alignment conditions that God puts on their heart.
- d. Can devote an hour every week with only occasional exceptions at an agreed-upon time with the group for the MMA group phone meeting.
- e. A current group member knows the person demonstrates love of God, and love and kindness toward all others.
- f. Is dependable, positive and hopeful.

5. Meeting Structure

- Opening Agreement Matrix (attached document) is read aloud to start the meeting by a member who volunteers, while the others mute their phones and read along.
- The Moderator selects a person by name to make their Calls.
- The Moderator then selects the others, one at a time, to personally agree with the Calls just made for God's will to be done.
- Then, the next person is selected to make their Calls and the others are selected to personally agree and so on until all have done so.
- Closing Agreement Matrix is read by the Moderator or a volunteer while all others are on mute reading the Closing.
- After the formal part of the meeting, members may want to share or discuss information before departing.

This MMA group meeting format and guide should provide a consistently enjoyable experience with wonderful results. We Call and Pray, and God is the Healer.

God bless you and your healing ministry.

MASTER MIND ALLIANCE, AGREEMENT CALL MATRIX

STEP ONE: All mute their phones—except for the leader (moderator)—and read the following Opening Agreement Call together:

“Again, I say unto you, that if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven.” Matthew 18:19

In the name of Jesus Christ, in the name of the Lamb incarnate, in the name of the beloved I AM Presence and Christ Self of all, and by the full power of the Holy Spirit; *(here list the names of the members of your Master Mind Alliance group)* agree together on earth that this thing that we ask in thy name, O Lord God, Almighty – I AM THAT I AM, ELOHIM, EL SHADDAI – shall be accomplished according to the Holy Will of God, by thy wisdom, and by thy love, in time and space and in the eternal cycles of being. We decree that:

1. GOD'S perfect, vibrant, radiant, glowing health flows in every cell and atom of our beings and of each of our family members.
2. GOD'S unlimited abundance is ours this whole week and is made manifest daily for our personal use to fulfill our divine plans here and now in this lifetime.
3. GOD'S wisdom and illumination are guiding our every step and showing us to see what we need to see, hear what we need to hear, say what we need to say, and do what we need to do.
4. Through our threefold flame of love, wisdom and power anchored within our hearts, we and our loved ones are magnetizing to our lives, and to our Study Groups, the best, the most honest, honorable, wholesome, prosperous, service-oriented, emotionally-healthy and respectful people in the world. We are also touching the lives of those who are challenged and bringing to them wholeness, compassion, and healing.
5. All who are affiliated with The Summit Lighthouse, the Keepers of the Flame Fraternity, and Church Universal and Triumphant as well as each of our family members, have balanced and increased our three-fold flames by a minimum 100th of an inch.
6. All Keepers of the Flame Fraternity and Church Communicant members are in tune with the Will of God, and we do the Will of God daily, thus attracting millions of light bearers to our Keepers of the Flame Fraternity and the Ascended Master Teachings.
7. All Keepers honor their vows and inner understanding to participate in the joy of giving their tithes of ten percent or more to The Summit Lighthouse and its local Teaching Centers and Study Groups. Every Keeper becomes an example of the flow of abundance so that rings upon rings of souls will also practice this cosmic blessing.

This, or its Perfect, Divine Equivalent, According to Thy Will, O God!

STEP TWO:

Beloved Kuthumi, we invite you to join our Master Mind Alliance as we give your decree. We begin by visualizing the threefold flame expanding from within the secret chamber of our hearts. We then seal ourselves and our consciousness in a globe of white fire, and when we are set, we proceed to recite your decree with utter humility and devotion.

As we visualize the cosmic white-fire radiance around ourselves, we are not concerned with the errors in thought that through the years may have intruded themselves upon our consciousness. We do not allow ourselves to concentrate upon any negative quality or condition. We do not let our attention rest upon our supposed imperfections. Instead, we see what the light can do for us. We see how even our physical forms can change, how a strengthening of the bonds of our health can occur in body, mind, and spirit.

We try this exercise, simple though it may seem, and know that many ascended beings will be performing it with us as we pause and then say together: *(Pause for a few seconds to set the vision and then read together three times)*

I AM Light, glowing Light,
Radiating Light, intensified Light.
God consumes my darkness,
Transmuting it into Light.

This day I am a focus of the Central Sun.
Flowing through me is a crystal river,
A living fountain of Light
That can never be qualified
By human thought and feeling.
I AM an outpost of the Divine.
Such darkness as has used me is swallowed up
By the mighty river of Light which I AM.

I AM, I AM, I AM Light;
I live, I live, I live in Light.
I AM Light's fullest dimension;
I AM Light's purest intention.
I AM Light, Light, Light
Flooding the world everywhere I move,
Blessing, strengthening, and conveying
The purpose of the kingdom of heaven. (3x)

STEP THREE: All give our individual calls/prayers and agreement.

STEP FOUR: Then we all mute our phones (except for the moderator) and read the following Closing Agreement Call together:

“We also agree that no Light be given unlawfully, unauthorized to any part of Life where there is not the commitment unto the soul’s salvation unto the worship of her God.” That our desire be purged by the Sacred Fire until it becomes God-desire, and that our prayer be the prayer of the Son of God within us, wholly acceptable as an offering in the sight of God and His holy angels. And we give to our Christ Self the authority to disavow any vow, dynamic decree, will or intent, reason, motive, or cause that does not express the God-harmony, God-love, and God-truth of His Presence.

And that we, those to whom we are karmically tied and our spheres of influence across all planes of consciousness across all time and space are completely and totally protected from the forces of darkness and the backlash or retribution from this call and the subsequent actions for the implementation of ALL OUR CALLS.

Amen, Amen, Amen.

HEALING MASTER MIND ALLIANCE – ASCENDED MASTER QUOTES

Vol. 35 No. 45 - Beloved Saint Germain - October 21, 1992

For the Transmutation of a World

I Have Secured a Grant!

I Will Send My Messenger

I Seal You with an Amethyst Heart

Go Be the Pillar of Fire in Your Town!

Plan wisely. Build soundly. Be cautious. Respect all laws. Do not cut corners. Be frugal and be certain that you have a business plan before you begin.

This is no time for mistakes, mistakes costly to me and to you. This is the time to take advantage of the great pool of the Ascended Master Mind Alliance of all Ascended Masters and their chelas in embodiment! This is the time to know ***what*** you are doing and ***how*** you will do it before you put the shovel in the ground.

I therefore am very interested in your projects. I am very interested in your endeavors. And I am interested in connecting your hearts by a strong cable to the hearts [of those] who must come out, who must be the called-out ones, who must have the knowledge of the I AM THAT I AM before the year 2002 rolls around.

Yes, beloved, they *must* be contacted! There is no alternative but to contact them and to do your outreach, for they are the very portion who should be here and who should be keeping their own altars where they are.

The Messenger Stumps Seattle

XIII

“The Vessel of Kindness”

And as some of you may not know, I come specifically on a mission to assist you in the resolution of your psychology, your relationships and your ties to Father, Mother, Son and Holy Spirit. I will always come to you when you call to me.

And, yes, I will be a part of your “master mind alliance” as you form tight alliances with trusted friends, devotees on the Path with whom you share a crystal vision of a world to come, with whom you have plans for a specific project.

If you use the “I AM Light” decree with all of its visualizations and mantric force, if you will take the teachings the Messenger has given and give the call to the I AM Presence and Holy Christ Self to enter the superconscious, the conscious, the subconscious and the unconscious mind, you will find yourself day by day more in control of these four lower bodies, who are your servants, each one a vessel for the fulfillment of your mission.

Event VI
Become the Master!
A Teacher and a Teaching
for Those Who Diligently Invoke the Violet Flame

We are wholly God-identified beings, beloved, certainly not discarnates, certainly not spirits that “mutter and peep.” We are in the Mind of God. We are in that Mind fully and totally and can access any information about anyone anywhere in cosmos. This is our service. This is why there is the necessity [for mortals such as you to congregate] among immortals [such as we].

Therefore you can count on us to bring to your projects (when you include us as a part of your “Master Mind alliance” the most specific information that you need in order to complete the project at hand, whatever type of project it may be that you are working on—so long as it is consistent with the laws of God and with the will of the Cosmic Christ. We are there to help you increase in all ways. Therefore let all the ingredients be there.

When you as children were allowed to bake and cook and learn [the culinary arts] from your mothers and in school, did you not find out that if you left out the leaven, the yeast and the baking powder, the dough would not be leavened and the cake would not rise? Did you not understand that improper measuring and incorrect ingredients would not bring the prize at the bake show?

Blessed ones, the same is true with spiritual alchemy. These things are not so metaphysical. They are very much involved [in the application of the science of precipitation in all octaves]. Even as you have chemical elements in this octave, so there are counterparts [in other octaves], and the science of a cosmos is vast.

The **Master Mind Alliance** is one of the 17 principles of success taught by Napoleon Hill. See Napoleon Hill’s *Law of Success*, Lesson One, pp. 19-8. This dictation by **Mother Mary** was delivered by the Messenger of the Great White Brotherhood Elizabeth Clare Prophet on **Saturday, June 22, 1991**, at the Royal Teton Ranch, Park County, Montana. *Pearls of Wisdom* Vol. 48 No. 11, March 13, 2005.

“Yes, beloved, the law of the Church is the law of the tithe. Yet it is part of the price that you pay for the pearl of great price. When you give back to God what is already his as that tenth of your portion, beloved, know truly that you are giving to him the substance of self which he immediately will turn around and give to me that I might use it for the gathering of the soul. Truly this is the crying need of the hour and a need that not so many are aware of, not so many know that they have.”
